BRIEF/MINI BIOGRAPHY

Professor Anupam Sibal has been a paediatrician for twenty years. Prof Sibal established the division of pediatric gastroenterology and hepatology in 1997 at Apollo Hospital, Delhi. He helped set up the first successful pediatric liver transplant program in India at Apollo Delhi in 1998. Since 2012, the Apollo Transplant Program is the busiest solid organ transplant program in the world.

Professor Sibal was appointed as the Group Medical Director of the Apollo Hospitals Group in 2005.

Prof. Sibal served as the only Asian Joint Commission International (JCI) Physician Surveyor from January 2008 to 2010. He currently is a member, Asia - Pacific Advisory Council of JCI.

Professor Sibal is an Honorary Clinical Professor at Macquarie University, Sydney, Australia.

He served as a member of the Institute Body (IB) of the Postgraduate Institute of Medical Education and Research, (PGIMER) Chandigarh from 2009 - 2014. IB is the highest decision making body of PGIMER headed by the Union Cabinet Minister for Health and Family Welfare.

He has served on the Executive Council of the International Pediatric Transplant Association, The Asian Pan Pacific Association of Pediatric Gastroenterology, Hepatology and Nutrition and the Commonwealth Association of Pediatric Gastroenterology and Nutrition and has lectured extensively in India and abroad.

Prof. Sibal is the author of the National Best Seller "Is Your Child Ready to face the World?" Exploring the crux of parenting, this book asks and answers whether your child is ready to face the world.

He comments regularly in the print and electronic media on healthcare, pediatrics, leadership and parenting.
