BRIEF/MINI BIOGRAPHY

- Please insert your mini bio in this box – maximum 150 words.
- The acknowledgement of listing of speakers on the website and program book will be generated from this information

Dr. Hasri Samion is a Senior Consultant Paediatric Cardiologist in Institut Jantung Negara and is the Head of the Paediatric & Congenital Heart Centre since June 2011.

Qualifications: MD, National University of Malaysia (UKM)
M.Med (Paeds), National University of Malaysia (UKM)
Had undergone Fellowship in Interventional Cardiology and Paediatric Electrophysiology & Pacing at Toronto, Canada in 1997.

Dr. Hasri specializes in interventional paediatric cardiology and paediatric electrophysiology & pacing. His area of expertise includes a spectrum of procedures ranging from paediatric arrhythmia ablation and pacemaker implantation to complex catheter interventions.

Has been actively involved in presenting lectures both locally and internationally. His keen interest in research and scientific work has resulted in numerous publications in several top peer reviewed journals.

At present, Dr Hasri is the Secretary General of the ASEAN Paediatric Cardiac Forum (APCF) and was the founder and President of Malaysian Paediatric Cardiology Society from April 2009 to March 2013.
