### BRIEF/MINI BIOGRAPHY

After graduated from Medical School on 1979, trained on Pediatrics, and research work on sleep studies of children for PhD, having experience to learn child psychiatry in US. After coming back to Japan, I have been working on child mental health, especially on child abuse and childhood trauma at Saitama Children's Medical Center from 1990~2002, and at National Center for Child Health and Development from 2002 to present. My major research area has also been on childhood trauma, attachment, and other child mental health.  
 Current Academic Activities are followed:

President: Japanese Society for Prevention on Child Abuse and Neglect  
 Board Member: Japan Pediatric Society, Japanese Society for Pediatric Psychiatry and Neurology, Japanese Society for Traumatic Stress Studies  
 Related member: Science Council of Japan
