BRIEF/MINI BIOGRAPHY

Prof Margaret Zacharin, MBBS, D.Med.Sci, FRACP

Background: Prof Zacharin is a clinical endocrinologist in both paediatric and adult endocrine practice, with clinical research in growth and puberty, fertility preservation, hormone replacement treatment of adolescent hypogonadism plus primary and secondary bone fragility disorders, resulting in over 150 published papers. International teaching schools include Africa, Asia, Europe and USA.

Her work has been recognized by awards of the Elizabeth Turner medal for best clinician Royal Children's Hospital, Melbourne 2009, the Robert Vines medal of the Australasian paediatric endocrine group (APEG) for clinical excellence 2016 and the Outstanding Clinician award of the European Society of Paediatric Endocrinology (ESPE) 2017.

Creation and free provision of translated educational booklets on paediatric endocrinology for families in 13 languages to date has been an international collaborative effort.
