BRIEF/MINI BIOGRAPHY

Dr. Moretta Damayanti, M.Kes, SpA(K) was born and grew up in Palembang, South Sumatra. After graduated from Faculty of Medicine Universitas Sriwijaya in 2001, she worked at a district hospital in North Bengkulu as a general practitioner. Her experiences working in emergency unit and pediatric ward made her interested in becoming a pediatrician. Therefore, she joined the pediatric specialist training program in the same university and graduated in 2010. She spent five years of devotion as a pediatrician in North Bengkulu. Since 2015, she has been working as a staff of Nutrition and Metabolic Diseases Division at Child Health Department in RSUP dr. Moehammad Hoesin Palembang. Working in a teaching hospital has given new responsibilities and demands to keep updating her knowledge. She feels very fortunate to be able to finish her consultant degree just now, even though it means that a lot of work are waiting in the future.
