BRIEF/MINI BIOGRAPHY

Pudjo Hagung Widjajanto was born in Yogyakarta, Indonesia (1958). He completed his elementary and high school studies in Yogyakarta, then graduated his GP (1985) and pediatrician (1998), both from Faculty of Medicine, Universitas Gadjah Mada, Yogyakarta.

He obtained his consultant degree in Pediatric Hematology and Oncology (2006) from Indonesian College of Pediatrics and PhD (2012) from Vrije Universiteit Medisch Centrum, Amsterdam with dissertation of “Tretment of Childhood Acute Lymphoblastic Leukemia in Low-income Country: The Indonesian Experience”.

He learnt more about blood disorders during his training in Saskatchewan Bleeding Disorders Program in Saskatoon, Canada (2006). Since 1998 he was active as academic staff and services in Pediatric Hematology-Oncology in Universitas Gadjah Mada/Dr. Sardjito Hospital and Indonesian Hemophilia Society. He has published some articles in the field of childhood cancer and hemophilia. Now, he lives happily in Desa Prambanan, a small village near Yogyakarta.
